Co-Researcher	
Name:	Institution:

Co-Researcher	
Name:	Institution:

(insert additional boxes if necessary)

Contact Person:		
Name:	Institution:	
Address:	Email:	
	Phone:	
	Fax:	

Identify any research partners & funding relationships

Provide a brief summary of the project (300 words).

What programmes at PT are you planning on working with?

What are the objectives of your research? Use dot point form

Provide a background into what has prompted you to undertake this research. What data already exists & what are the gaps?

Tel: 603 4044 4611
Fax: 603 4044 4622
www.ptfmalaysia.org

Provide a detailed summary of the research methodology and procedures (please include number of participants you expect to recruit and how you plan to recruit them).

How will participants be informed about the study? How will you obtain consent? Will the participants legally be able to give consent (ie over 18 years old)? Who will have access to the research data? How will confidentiality be assured?

Outline any risks or challenges facing participants/researchers that you foresee in this research, and how you plan to address these.

Outline the benefit to community of this study.

--

How have you/do you plan to consult with the community in the development of the study?

--

How do you plan to feedback the results of the research to participants and to Pt Foundation?

--

What assistance are you requesting from PT Foundation?

Endorse the project	
Use premises	
Provide advice on recruitment	
Assist with distribution & promotion	
Provide input into methodology	
Act as a formal partner in research	
Other (please specify)	

Tel: 603 4044 4611

Fax: 603 4044 4622

www.ptfmalaysia.org

Please include a letter of support from your institution/university

Please include any copies of paperwork that you are planning to use/hand out, such as:

A participant information sheet

A participant consent form

Any questionnaires/surveys/interview questions to be used

Recruitment documents (posters/ads/notices)

Protocol information (if applicable)

Please note that the PT Foundation reserves the right to view the completed research project.
